RECOMMENDATIONS

Recommendation is again made by this department for the installation of a Teletype System for contacting various Police Departments, State Police and Registry of Motor Vehicles and out-of-state communication in case of emergency.

Recommendation is made of the continued policy of replacing a cruiser car each year for purposes of efficiency and economy.

Recommendation is made for purchase of two new radios for Cruiser Cars replacing out-moded ones now in use.

Recommendation is made for re-painting the exterior of building and the furnishing of additional venetian blinds especially on the front of the building where at the present time there are three different types of shades.

Recommendation is made for renovation of part of Police Headquarters to comply with the new laws regarding the detention of juveniles.

Recommendation is made for a uniform clothing allowance to be granted all members of the department co-inciding with allowances made by nearly all Police Departments in the State as well as Registry of Motor Vehicle Inspectors and Metropolitan District Commission Officers.

IN CONCLUSION

I wish to thank Mayor Joseph C. Chamberlain, the Members of the Municipal Council, the Heads of the various City Departments, The Members of the Clergy, the Members of the Judiciary and the Merchants throughout the City of Taunton for their kind co-operation and assistance during the past year.

I wish to thank the general public for their adherence to the laws and regulations governing traffic and parking which is daily becoming one of our greatest problems.

I wish to thank the Members of the Legislature for their kind co-operation and assistance.

I also wish to thank the Members of the Taunton Police Department for their kind co-operation and assistance during the past year and especially during the period in which I was acting as head of the department.

Respectfully submitted:
